Encrypt Files Using 7-Zip (Windows)

1. Download 7-Zip from following site: https://www.7-zip.org/
2. Once downloaded, use File Explorer to navigate to where the files you wish to transfer are located.
3. Right click on the desired folder/files.
4. On the pop-up menu, hover over *7-Zip* and select *Add To Archive*.
5. The window below should open. Name the zipped file anything you wish.
   - Ⓐ Be sure to enter a password using AES-256 Encryption Method.
